Amor ini spigne a dir di te parole Ma non so 'ncominzar seuza iul aita, E di colui ch'amando in te si pose.

Vergene, s' a mercede.
Misoria estrema dell'humane chose.
Già mai ti volke, al mio prego t'inchina.
Soccorri alla mia guerra.
Bench'i' sia rerra, e tu del ciel regina. Invoco lei che ben sempre rispose Chi la chiamo con fede.

BELLE, YUEILLIES VOSTRE MERCY DONNER (nº 47)
Belle, vacilies vostre mercy donner A moy qui suy vostre leal servant.

Je ne me vuel a nulle presenter,
Ains vuel du tout fâre vostre commant.
Belle, vueillies vostre mercy donner
A moy qui suy vostre leal servant.

love moves me to address my words to Thee, but I know not how to begin without Thy aid, and His who lovingly resided in Thee.

Thou has never turned away, o hear me now. Help me in my struggle, though I am of earth and Thou art Queen of Heaven. I call on Thee, who ever dost respond to all who call in faith. Virgin, have pity on the wretchedness of lumin plight.

Lady, pray have mercy upon me, your loyal servant, for with my heart and whatever I have of I wish to invest you.

I do not wish to address any other lady, but I wish entirely to do your command. Lady, pray have mercy upon me, your loyal servant,

Truly my Lady, because of you I cannot go on living, evil slanderers make me die. I dare nor, except in sweet semblance, Lady
